UNITED STATES PATENT OFFICE

136,809

DESIGN FOR A CRADLE FOR SUPPORTING AN AIRPLANE

Earle M. Scott, Lancaster, N. Y., assignor to Scott
Aviation Corporation, Lancaster, N. Y., a cor-
poration of New York

Application September 3, 1943, Serial No. 111,062

Term of patent 14 years

To all whom it may concern:

Be it known that I, Earle M. Scott, a citizen of the United States, residing at Lancaster, in the county of Erie and State of New York, have invented a new, original, and ornamental Design for a Cradle for Supporting an Airplane, of which the following is a specification, reference being had to the accompanying drawings, forming part thereof.

In the drawings:

Fig. 1 is a perspective view of a cradle for supporting an airplane, showing my new design with the casters in one position.

Fig. 2 is a top plan view of the same with the casters in another position.

Figs. 3 and 4 are a side elevational view and an end elevational view of the same, respectively, with the casters in a position corresponding to Fig. 2.

I claim:

The ornamental design for a cradle for supporting an airplane, substantially as shown.

EARLE M. SCOTT.
